Determined Grandmothers & Grandfathers

10th Year Anniversary Congratulations Celebration

It Began with Three Grandmothers,
over the years it grew!

From The President

Brenda D. Ward

This is the 10th year of our organization. We have been servicing the students of Las Vegas, Nevada with one on one support and yearly scholarships. We started as three determined Grandmothers for several years, as seen on the cover. Several years later we included Grandfathers who were willing to support our cause.

Although we are no longer in the Schools, we are still supporting the youth by giving scholarships each year to eligible students. Our desire is to return to Clark County School District, as the need is now greater than ever. Our Hope is that more Grandmothers and Grandfathers contact us for volunteering time.

Please consider helping our youth. Contact us at determinedgrandmothers@gmail.com

Who Are We?

Determined Grandmothers & Grandfathers are advocates for the youth. We are in the community to mentor the youth and their families. We have much to offer. Our desire is to help families get back on track and to bring unity to the community.

What do we do?

We volunteer our services to schools, churches, charities and mentoring organizations. We do this by mentoring, training, and giving guidance to the youth and their family members.

When are we available?

Whenever we are needed. We can be reached. Please "Like" us on our Face-Book page or. Leave a message at determinedgrandmothers@gmail.com.

Where are we?

In Las Vegas and anywhere we're invited to speak. We are always ready with the help of financial assistance and community support. Send for us and we will come!

Why us and why now?

If we invest our time, now, it will ensure that our youth are prepared for tomorrow. There will be no chance of change, unless we show them a better way. Our financial scholarships are always helpful. It provides higher education. We can do all of this with your help!

It's a Celebration!
"Congratulations"

Elder Paul Lowe (Founder)

Although I've been with the Determined Grandmothers & Grandfathers since conception, I am also the founder of Elite Christian Ministries.

It is within this viewpoint that I wish to give thanks to the organization for their work in the Las Vegas community. I am very proud to be a member of the **Determined Grandmothers & Grandfathers**

Many students have the discipline and desire to go to college. However, one of the drawbacks is having enough funds to manage their basic necessities during the school years. This is where we come in!

Happy 10th year anniversary **Determined Grandmothers & Grandfathers**. I am honored to be a part of this organization. Male students need men to confided in, proper training is essential for youth to succeed. That's why it made common sense to add Grandfathers.

Congratulations!

Congratulations

On Your 10th Year Anniversary

Thank you for supporting me with three scholarships. I am thrilled to say that the organization was there for me. Your presence at my graduation celebration, demonstrated your determination to higher education for the youth of Las Vegas!

I did it with the help of the Determined Grandmothers and Grandfathers!

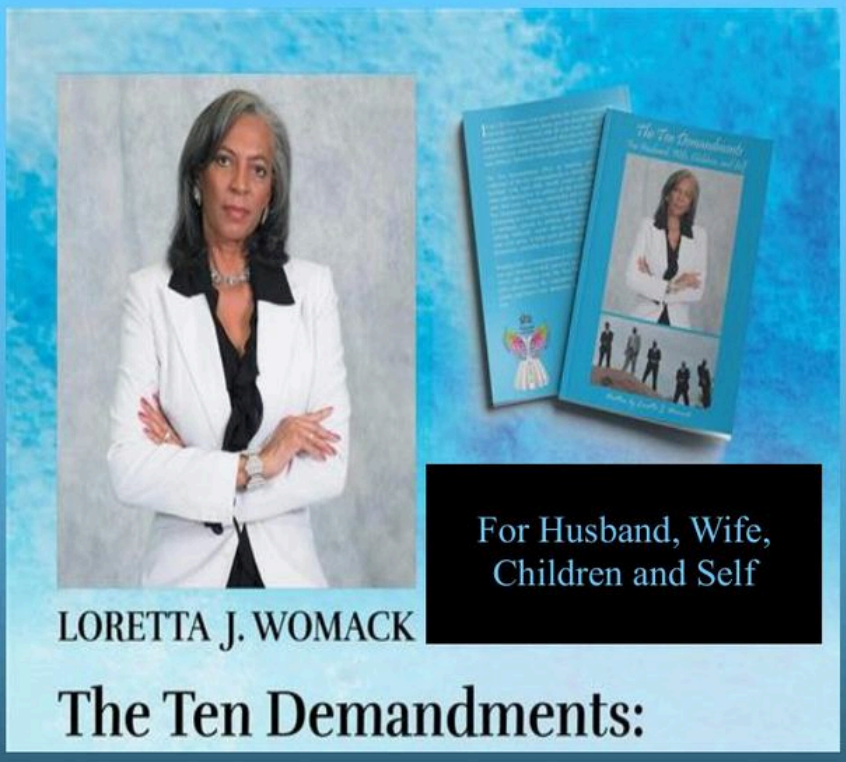

Congratulations

Original Founder of The Determined Grandmothers

Then!

The organization was founded in 2013. We barely knew what we were doing. By 2015 we had our first interview on the news 3 and had been helping Clark County School District change the outlook of students behavior.

Now!

Author of three books. My Talent Magazine coming soon. I am also the Founder of *G'N'I* Celebrities For Christ Holywood Productions Talent Studio Projects. We launched our mentor program January 3, 2026. We are now open for sessions, every 1st Saturday, 9:30 to 11:30 am. For details: Call 702 492-6670

"There 's no Time like Today to Help the Youth!"

Congratulations

President of Determined Grandmothers & Grandfathers

Then!

Co-founder of the Determined Grandmothers. In the first few years we only wanted to support the youth. However, they were often confused with the concept of 'Hard Work.' Being exposed to Hollywood's ideas of getting what they wanted the wrong way made us determined to help them. The organization helped change their sense of direction. It was important to me to teach them that education is the way to a better life.

Now!

I'm still a teacher and now the Pastor of '**Broken Bridge Ministries'. Determined Grandmothers & Grandfathers** is one of our missions. Visit the Website and YouTube for more details.

I'm also still the owner of **S.E.L.F. Publishing**. and have now created a new magazine for authors. Loretta Womack is the featured author for the first edition of **Author's Legacy**

10 years and climbing.
Still supporting the youth.

Congratulations

Vice-President of Determined Grandmothers & Grandfathers

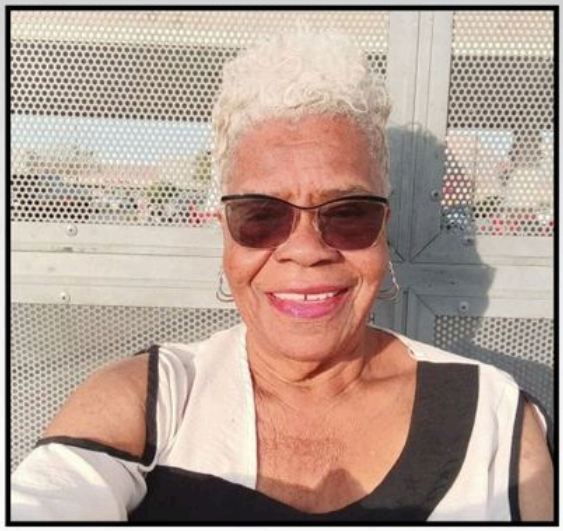

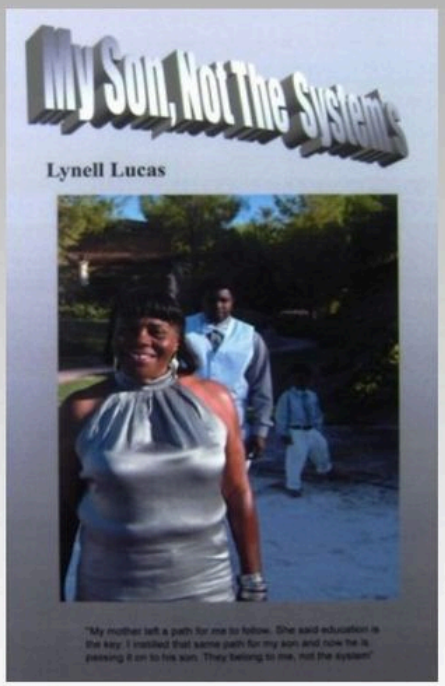

Then!

Co-founder of the Determined Grandmothers. In the first few years we traveled to several states, speaking on the need to support our youth. It was important to get our name out in to the public. Our desire was to start chapters in all the nearby states. Little did we know that it would be challenging. Nevada was where our roots were, and that was enough for us.

Now!

Helping the youth is important to me. I published my book 'My Son Not the Systems' on the basis of protecting my son from the dangers of the system. I'm now in the process of turning my story into a play for the parents of Nevada and beyond.

It's a Great feeling to Give!

On May 19, 2015, The Determined Grandmothers entered the studios of channel 3 News. As we marched in and took our seats, we knew that within minutes we would be live on a Las Vegas television network. It was a very exciting day!
